Applicant Microsoft Corporation respectfully submits this Notice of Supplemental Authority. After a hearing yesterday in the United States District Court for the District of Massachusetts on Novell, Inc.'s motion to quash Microsoft's subpoena issued pursuant to Microsoft's § 1782 Application, Judge Wolf made certain findings and issued a provisional ruling. Many of the issues on which Judge Wolf ruled also arise in connection with the motions to quash filed by Oracle and Sun in this proceeding. Although the transcript of the full hearing is not yet available, Microsoft has received the transcript of Judge Wolf's findings, and it is attached hereto for the Court's consideration.

Respectfully submitted,

Dated: March 29, 2006
